

Courses held from 1977 to 2004
Raul Rojas

Course	Institution				
	FU	MLU	TUW	IPN	Mills
<i>Computer Science Courses</i>					
Algorithms and Functional Programming	3	3		1	
History of Computing	5				
Introduction to Robotics	8				
Electronic Whiteboard Technology	1				
Introduction to Digital Video	3				
Neural Networks	10	4	1		
Artificial Intelligence	5				1
Image Processing	3	1			
Computer Vision	2				
Digital Design	5				
Computer Organization	2				
Courseware for the Internet	2				
Computer Architecture	5	1		2	
Software for Agents	1				
Architecture of Symbolic Machines		2			
Computer Networks	1				
Stochastic Approximation	1				
Programming Workshop	1				
Artificial and Natural Intelligence	1				
Machine Learning	1				
Logic for Computer Scientists	1				
Logic Programming	1				
Programming I				1	
Introduction to Computers					1
Programming Languages					1
Total	62	11	1	4	3

CS Seminars	FU		
	MLU	TUW	
Seminar on Handwriting Recognition	1		
Seminar on Neural Networks	3		
Seminar Information Theory and Learning	1		
Seminar on Quantum Computing	3	1	
Seminar History of Mathematical Notation	1		
Seminar Simulation of Biological Neurons	2	1	
Seminar on Speech Recognition	3	1	1
Seminar on Social Aspects of Networking	1		
Seminar on Parallel Computer Architectures	1		
Seminar on Fractal Geometry	1		
Total	17	3	1

Mathematics Courses

	IPN	UNAM
Numeric Algorithms	1	
Euclidian Geometry	1	
Probability Theory	1	
Philosophy of Science	2	
Mathematics for Economists		1
Total	5	1

Economics Courses

	FU	UNAM
The Microelectronics Industry	1	
International External Debt	1	
Macroeconomics II, III, IV, V		4
Input-Output Analysis		1
Total	2	5

Institutions

FU	Freie Universität Berlin, Germany (1989-2003)
